## Note from the Principal...

Dear Parents,

Welcome Back! I hope your children have had a great first week back at school. It was so much fun to see their excitement and enthusiasm as they walked through the doors on Tuesday! I hope you also had a chance to check-out the exciting security upgrades to the entryway and offices. It is beautiful!

In case you missed seeing my back-to-school letter, I wanted to share some very exciting news again! As you all are aware, Central had been designated by the MDE as a FOCUS school the past two years due to the achievement gap between our top and bottom 30% of students. I am pleased to share that we are no longer a FOCUS school for 2014-15. What is even more exciting is that we have been designated as a REWARD school for 2014-15! There are three ways to receive this award and Central's was based on the designation of a "Beating the Odds" school (a school that is outperforming schools with similar risk factors and demographic makeup). Another component to MDE's score card system is the 'Top to Bottom' ranking. Central continues to increase each year. We have gone from the 20th percentile in 2010-11, to 39th percentile in 2011-12, to 53rd percentile in 2012-13, to 74th percentile in 2013-14! That is amazing growth! So congratulations to ALL of you for being a part of the culture that enabled our students to "Beat the Odds!"

Next week students will be busy with assessments to assist us in preparing for the year ahead! Students in Y5-3<sup>rd</sup> grade as well as some students in 4<sup>th</sup>-6<sup>th</sup> grade will take the Dynamic Indicators of Basic Literacy Skills (DIBELS) assessment and all 2<sup>nd</sup>-6<sup>th</sup> grade students will take the reading and math computerized MAP test. This information is an important part of our Multi-Tiered-Service-System (MTSS). It will be used to determine what areas students need additional supports and what students may need enrichment opportunities.

We are also implementing a new program called, Unlocking the Reading Code in Y5-6<sup>th</sup> grades. Teachers will receive ongoing professional development and coaching throughout the year. Stay tuned for additional details as the year continues. You will also see some changes with the math curriculum this year as we continue to implement the state adopted Common Core Standards. Watch for details on that also in district, building, and classroom communications.

Finally, PTC will be kicking off their 'Bulldog' card fundraiser next Monday, September 8. Last year we raised over \$4000 to support field trips, classroom parties, assemblies, etc. The cards will once again be \$10 and include merchants like Tippy Cow Ice Cream, Orange Leaf, Noodles, Firehouse Subs and more. Make sure to check your children's backpacks next Monday for details.

Again, welcome back! I am looking forward to another exciting and successful year at Central Elementary!

Sincerely,

Michelle Carter  
Principal

**Student Messages**

The beginning and end of our school day can be the busiest times. We will make every attempt to deliver messages to students, however we cannot guarantee messages received after 3:10 pm will be delivered. Please make sure your child is aware of changes before they leave home in the morning. We appreciate your help!

**EXCITING SECURITY UPGRADES!**

Thanks to you and the successful bond issue election, Central's entryway and offices were renovated this past summer. Please read our Superintendent's letter describing new procedures. The biggest changes include:

- **ALL adults/visitors to the school must first go through the office and be "buzzed" into the building.**
- **Students dropped off by car will use the "drive-thru drop off zone" in front of the building. Students will enter the front doors or walk around the building to the playground.**
- **Parents dropping students off in the morning or picking them up at the end of the day will say "Good-bye" (in AM) or wait for them (in PM) outside or just inside the front entry doors in the vestibule.**

These changes will provide our students even more safety and security. Again, "Thank you" all for helping keep Central students safe and for following our new procedures.

## Hot Lunch (Note hot lunch price increase/info. to the right)

### **Notes from the Nurse**

A medication form must be on file in the office for ANY medication needed by an elementary student during the school day. This includes inhalers. Forms are available from our school office or on the district website (click on "Resources", then on "Parent.") A parent preview of the materials used in reproductive health education will be held in October. Several viewing items will be available during that day. The schedule and more details will follow.

A few reminders as we start off the 2014/15 school year:

1. Please remember that students are not to bring medications to school themselves! Any medication needed by a student during the day should be brought in by the parent and be in the ORIGINAL container.
2. Do not send your child to school if they have been vomiting or have had a fever in the previous 24 hours.
3. Make sure you talk directly to your child's teacher if your child has a life-threatening condition or allergy, so appropriate safety measures are set up promptly.

# **TITLE I TIDBITS**

## **Don't let your child miss out on learning!**

As the school year begins, help your child get into the habit of going to school every day. Research shows that missing school regularly can hurt both the students who miss class and their classmates.

When students miss school, they miss out on learning. When they return, they have to work harder to catch up.

And since most subject matter builds on previous lessons, it doesn't take long for these students to fall behind.

As a result, kids who miss school have lower levels of achievement throughout their school careers. Research shows that, by sixth grade, students who miss an average of just one day a week are more likely to drop out of high school.

The students who do come to class also miss out. When teachers have to repeat material or pay extra attention to kids who have been absent, everyone suffers.

### **HELLO CENTRAL FAMILIES**

My name is Mrs. Kim McGuire. I would like to introduce myself as the new Central Elementary Library Supervisor. We are currently putting together the library for the 2014-2015 school year. I am in need of some parent volunteers to help me shelf books. If you are interested in helping me out, please email/call me at [kmcguire@gpsbulldogs.org](mailto:kmcguire@gpsbulldogs.org) or 254-6014. Thank you and I look forward to meeting all Central students and families.

## Green Halloween is back for 2014!!!

Last year Central Elementary celebrated its first ever *GREEN* Halloween. It was loved by parents and students with approximately 27% of Central's students wearing a *GREEN* Halloween costume last year! In 2014, we want even more students wearing one.

What is it? They don't need to be the color green. The idea came from the awareness of the waste created from the packaging of store bought costumes for a single day/use event as well as the burning of fossil fuels to transport those costumes to stores. This creates a negative environmental impact. The Central Conservation Club (CCC) is making an effort to become more *green* (earth friendly), by encouraging all students to wear a recycled costume, or one made by re-using items from home, thereby making it a *Green* Halloween costume.

Please consider **donating your family's unwanted costumes** the week of **October 6 – October 10**. There will be a large GREEN box in the Entry Hall for your student to donate the costumes. Costume Accessories are also welcome.

**GREEN HALLOWEEN COSTUME SALE - Tuesday, October 13**. The costumes will be sold in the evening during the parent teacher conferences at garage sale prices by the CCC's.

Students wear their Green Halloween costume for their classroom Halloween celebration. All students wearing a Green Halloween costume (recycled or made by re-using materials from home) are invited for a special celebration in the gym!

NEW! Watch for details about Costume donation in November for next year's 2015 Green Halloween.

The CCC's hope the percentage of student participation will be up this year, and all students have a happy *green* Halloween!

## OK2SAY Program

This fall, Michigan will launch OK2SAY, a new program that enables students to confidentially report potential harm or criminal activities involving students or school employees. OK2SAY's focus is on early intervention and prevention, acting as an early warning system to thwart school tragedies before they occur.

Students (and others) will be able to submit tips 24/7 by telephone, text, email, mobile application, and via a web-based form on the OK2SAY website at [www.mi.gov/ok2say](http://www.mi.gov/ok2say) (website will be operational September 2, 2014). Tips can be filed on a wide range of issues, including: planned school attacks, weapons at school, assault, bullying/cyberbullying, threats, gang activity, and more. Upon receipt of a tip, specially trained OK2SAY operators will address the immediate need and, as necessary, forward the information to the appropriate responding agency or organization. Most tips are expected to go to schools and local law enforcement agencies, but in some instances, tips may go to local Community Mental Health agencies and/or the Michigan Department of Human Services. Operators will be trained to recognize, and appropriately address mental illness and emotional disturbance. Tips suggesting a psychiatric emergency will be forwarded to the local community mental health psychiatric crisis line.
